Dear Ms Lieschke

I am writing to provide you with the outcome of the process to relocate the Rose Park Family Unit.

The Family Unit community, with my support, are relocating the Unit to a site adjacent to the Felixstow Regional Office. A building already exists at this location, though site works will need to occur to ensure that it is an appropriate learning environment. With this in mind, I expect the move to occur no later than the beginning of Term 2, 2012.

I'd like to thank you for your continued consideration during this period of relocation of the Family Unit. I anticipate the existing shared school arrangements will continue until the move takes place, though I understand that further discussions may occur regarding the scheduling of play times for Family Unit children.

I have also asked the Department of Education and Children's Services to contact Rose Park Primary School to make final arrangements for the minor technical works needed on the church building to allow your school to use the building when it becomes available.

Yours sincerely
